STA Endorsement Application Form

STA offers endorsement to products which are relevant to the industry needs and develop or expand a learner's skills and / or knowledge in relation to their role. Products which would receive endorsement include seminars, workshops, conferences or industry training. Any products similar to current products or qualifications offered by STA will not be endorsed.

To apply for STA endorsement, Centres must submit:

- A completed endorsement application form
- Copies of supporting resource materials in support of the application, for example, a timetable, scheme of work, PowerPoint presentation, learner handouts
- Payment of the endorsement assessment fee (£50).

Enquiries regarding product endorsement or to submit an application, all of the above must be submitted to: gualificationdevelopment@safetytrainingawards.co.uk

On receipt of a completed endorsement application form including supporting resource materials and payment, STA will review the application and respond with feedback within 28 days to the Centre. This will confirm the endorsement, or the assessor may require further clarification or evidence before an endorsement decision can be made.
